

MORRIS AREA HIGH SCHOOL

Registration 2021-2022

GRADE 9

Please indicate the courses you are most interested in for next year. Your requests will be tallied with all other students to determine the courses to be offered next year and the number of sections needed. Use this sheet as a chance for you and your parents to sincerely think about next year's courses. A master schedule will be developed in April and the courses you enter below will be scheduled by the computer. Some courses may conflict with each other or may not be offered. Please list **2** alternative courses in case this happens to you.

The required courses for freshman are: English 9; Civics 9, Physical Science 9, PE 9 and a Math class: Algebra I, Geometry or Advanced Geometry. The rest of your schedule is to be filled with electives. You must take a minimum of 6.25 credits. Remember a total of 24 credits (16.5 are required and 7.5 are electives), beginning as a 9th grader, are required for graduation
