Starting in the 2019-2020 school year, the school district will be providing chromebook insurance to all students in grades 5-12. The school provided insurance policy covers cosmetic damage, or damages caused by unintentional/accidental circumstances. Morris Area Schools will assess the chromebook damage and repair or replace the device if the damage is determined to be accidental and within the protection guidelines. **Parents/students will be charged for the full replacement cost of a device/charger that has been damaged due to intentional misuse or abuse.** The Morris Area Schools will require that a police report be submitted in cases of theft. Fraudulent reporting of theft will be turned over to the police for prosecution. A student making a false report will also be subject to disciplinary action as outlined by the District 2769 student disciplinary policy.
